NO. 16

## A GOOD WOMAN DIES.

On Saturday last, in Stamping ground, Kentucky, one of the best women it has ever been our good fortune to know, entered into eternal rest.

Mrs. Julia Adams Black, wife of Dr. E. H. Black, was about 75 years of age. She was taken with a severe attack of la grippe about ten days before, which settled on her heart, and at 12 m. on Saturday she went home to the mansion prepared "beyond the shadow and the shining."

Mrs. Black was one of the gentlest, tenderest and most lovable women Kentucky ever produced. In prosperity and in adversity she was ever the same cheerful and hopeful Christian. When prosperous, she was ever mindful of the sorrowing and the distressed. When adversity came, she recognized the dealings of a Father's wisdom and was ever ready to say "My Father knows what is best."

With unabated fidelity and love she ministered to the necessities of her aged and invalid husband until pain and illness laid her low and even then her chief anxiety was for his comfort and happiness.

In early girlhood she united with the Baptist Church and all along the journey of life she manifested the power of divine grace to govern and control her every action.

When the last hour came she was not afraid and calmly and quietly laid her weary head upon her Savior's breast in that sleep that knows no earthly waking.

The funeral services were conducted by Rev. T. W. Beagle, her pastor, from the Stamping (Grand) Church, on Monday morning at 4 o'clock, and the loved dust was laid away in the cemetery at that place. She leaves an aged husband, two daughters (Mrs. J. A. Hodges, of Louisville and Mrs. Helen McCure, of this city), one son, Lieut. Jos. A. Black, of Carrollton, Mo., and two step-children (Hon. J. C. C. Black, ex-Congressman from Georgia, and Mrs. Muriel H. Schree, of Missouri)—who were perfectly devoted to her—and a host of friends to mourn her death. We tender our sincere condolences to those so sorely tried by this sad event.

## CHRISTMAS AT MASONIC TEMPLE.

In a cordance with the usual custom among Templar Masons the Sir Knights of Frankfort Commandery, No. 4, met at their asylum in Masonic Temple at 11 o'clock Christmas morning and partook of some light refreshments. Sir Knight Geo. A. Lewis, Grand Captain General, presided as timekeeper, and the following toasts were drunk:

To our Most Eminent Grand Master, Reuben Hedley Lloyd;—A merry Christmas, and may the coming century fulfill the golden promise of Peace on Earth and Good Will to Men.

To which the Grand Master sent the following response:

Templars:—I wish you a happy and prosperous new year. When all keep the new commandment of our Redeemer, the golden promise will be fulfilled. You are obligated unflinchingly to bring to pass that perfection of man's moral and intellectual development. In the Gospel of St. John, xiii chapter, 34th verse you will find the new commandment.

The Grand Commandery of Kentucky.

To which Grand Generalissimo Frank H. Johnson responded in appropriate language.

The health of Sir Knight John D. Utterback, of De Molay Commandery, No. 18, who had been very ill at the Capital Hotel for several weeks, was also drunk, with the earnest wish for his speedy restoration to health, and a floral offering ordered sent to him with the compliments of the season and words of Knightly sympathy.

A handsome pipe and an abundance of smoking tobacco was then presented to Sir Knight Gus Schaefer, the faithful Captain of the Guard of the Commandery, by a number of those present, and the company broke up after an enjoyable hour together.

## LAST TRIBUTE.

The last tribute of respect was paid to the memory of Col. Tom Rodman, on Sunday afternoon at 2 o'clock, when the First Baptist Church was packed to the doors with mourning friends, many persons standing in the aisles.

Rev. M. B. Adams, the pastor of the church, with emotion hard to control, paid a tender and just tribute to the sterling integrity and unswerving fidelity of the good man gone.

The large choir of the church sang two of the favorite hymns of their dead brother, "Rock of Ages" and "Jesus Lover of My Soul." In softly minor keys; and, amid the tears and audible sobs of many in the audience, the loved dust was borne to the cemetery and laid beside his wife and son in the family lot in our cemetery.

"And good men carried Stephen to his burial, and made great lamentation over him."

An unusual feature was the large attendance of the most highly respected colored people of our city, to whom Col. Rodman had always been a kind and considerate friend.

All that could be has been done to give testimony to the high regard in which our loved friend was held.

Farewell! Thank God we shall strike hands once more on the other shore.

Elsewhere we give resolutions adopted by the Directors of the Farmers Bank and of the First Baptist Church testifying to their great loss.

## COL. E. C. HATHAWAY'S ENTERPRISE.

Frankfort Roundabout:

Gentlemen:—Believing it will be of interest to the trade at large, the Lexington Railway Co. takes pleasure in notifying you that they have closed a contract with the Frelch Company, of Waynesboro, Pa., for a 31 ton ice plant of their latest and most approved pattern. Thus increasing the capacity of the old Lexington Ice Manufacturing & Storage plant, now called plant No. 2, by this amount daily.

Contracts have also been let for an ice storage building with a capacity of 1,000 tons to be situated at plant No. 2 and facing a switch on the L. & N. Railway. This will give a total ice storage capacity of 2,500 tons of ice which will be stored on the belt line and the balance on the L. & N. Thus giving unexampled facilities for prompt shipment at any time and in any direction.

With the building of this new plant comes a thorough overhauling of the old Hercules plant which will bring the total output to over 100 tons daily in the warmest weather.

In the future, as in the past, our Mr. Hunt, of the ice department, will pay special attention to the wholesale business. All shipments being made promptly and packed and stored in the most approved manner.

The company have installed their own car service of refrigerator cars for the shipment of ice and at such times that their own cars are not available arrangements have been made for refrigerators with the C. & O. and the L. & N. Railways to take the place of them.

Correspondence from dealers and manufacturers who wish to supplement their own supply is earnestly solicited, also from parties who can not use car lots.

Prompt attention will be given to express orders.

Yours very truly,  
LEXINGTON RAILWAY CO.

## THANKS.

We desire to return our sincere thanks to Miss Carolyn Brock, of the Forks of Elkhorn, for a present of a basket of delightful fruits. Our fair friend will accept our gratitude for her kindly remembrance. The fruit sent was as delightful to the taste as she is sweet and attractive to the eye.

## A GREAT SHOCK.

The many friends of popular, big hearted Benjamin Lewis Bryant, Traveling Passenger Agent of the Louisville, Henderson & St. Louis railroad, were shocked to hear of his death, which sad event occurred at his home in Louisville at 6:45 p. m., on Sunday, after an illness of only ten days from that terrible disease, typhoid fever, aged 40 years.

Only a few weeks since he was a visitor in our city and made his usual genial call upon us. Now he is gone.

We have known him long and well. He was a prince among men. His heart and hand were ever open to his legion of warmly attached friends.

He leaves a wife and three small children, one brother and two sisters to mourn his untimely death.

The remains were taken to Versailles, his old home, on Monday, for interment.

The most effective little liver pills made are DeWitt's Little Early Risers. They never gripe, South & Longmorn, W. McKee Hardie.

## ARTHUR RANDOLPH SEATON.

This famous English baritone needs little introduction to the American public in addition to the extracts herewith. He is a graduate of the Royal Conservatory of Music, Milan, and a pupil of Leon. His first engagement was with the Carl Rosa Grand Opera Company, London, England, where he was the principal baritone.

His brilliant career with this organization brought him into prominence with the American managers, and he was soon captured for the Tuxedo Grand Opera Company, after which he was engaged at the Grand Opera House, New York, and is now under contract with the International Grand Operatic Company. He also received special honors through engagements among New York's "Four Hundred."

During the past season he was a particular favorite everywhere. The eulogies and press notices which he received would fill a large-sized volume. It is with great pleasure that the manager presents him again to the public.

"Mr. Seaton gave a very satisfactory rendering of the Toreador song (No. 2) and as an encore, gave 'The Heavy Bowled Down' in a most masterful manner."—Buffalo Courier.

"The singing of Mr. Seaton was grand, and probably the finest ever listened to by a Franklin, Franklin, Pa."

"Mr. Arthur Seaton, as the herald in 'Lohengrin,' calls for special commendation for his admirable musical declamation in the preliminary of the combat scene."—Playhouse, New Orleans.

Mr. Seaton will appear with the International Grand Operatic Co., Jan. 1st.

## FIRST OF THE SERIES.

The Frankfort German Club (successors to the Assembly Ball Club) gave the first of a series of Germans at the Capital Hotel Ball Room on Tuesday night last. There was a splendid crowd of the prettiest girls (including a number from elsewhere) that Kentucky can boast of present to grace the occasion.

As for the boys, it is not necessary to say anything about them. The dance was kept up until 1 o'clock a. m.

It is the intention of the Club to give one of these delightful dances every two weeks during the season, on alternate Tuesday nights.

They promise to be first class in every way.

### BALLOT PADDING.

We have had occasion heretofore to allude to the remarkable vote in the county precincts of this county at the last November election as compared with the census and assessors returns and previous elections. The recent Democratic primary makes absolutely certain that many of the precincts were padded at the November election.

About twenty-five candidates were intensely active in polling every vote at the primary to be had in each precinct. Whisky and money at \$35 to \$40 per vote was used in abundance, and yet in eleven country precincts the November vote exceeded that of the primary.

At Bulley's Mill the primary fell short of the November vote by 27 votes. And yet this is a small precinct, only casting 155 votes at the

November election. There were no Yerkes votes in this precinct to help out the aggregate of the Democratic primary.

Int'ructer's schoolhouse precinct the November vote exceeded the primary by 7 votes, and in Switzer the excess was 21 votes.

The comparison is made with the Democratic vote exclusively. Yerkes Democrats swelled the primary in many precincts.

### HIS LIFE WAS SAVED.

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with Typhoid Fever, that ran into Pneumonia. My Lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong. I can't say too much in its praise. This marvelous medicine is the surest and quickest cure in the world for all throat and lung trouble. Regular sizes 50 cents and \$1. Trial bottles free at J. W. Gayle's drugstore, every bottle guaranteed."

### HANDSOME CALENDAR.

### ELKS FIRST ANNIVERSARY BANQUET.

Frankfort Lodge, No. 520, B. P. O. Elks, gave their first anniversary banquet at the Capital Hotel on Friday night. Covers were laid for 200 guests but only about 150 were present.

At 8:30 o'clock the Elks and their invited guests assembled in the parlor of the hotel, and, under the supervision of Secretary Geo. L. Barnes, formed in procession and marched to the dining room, where an elegant banquet was set out. The menu embraced all the delicacies of the season, both solid and liquid. At a signal from Judge L. S. Anderson Master of Ceremonies and Toast Master, all fell to and did ample justice to the toothsome viands prepared by Mine Host Wheatel.

About 11:30 o'clock, after the wants of the latter man had been supplied, Judge Anderson made a short and humorous talk introducing Mr. J. J. Fitzgald, of Louisville (but formerly of this city), who made a beautiful and eloquent speech, extolling the objects, aims and achievements of the Elks. His remarks were chaste and clear cut, and showed that our quondam friend has developed into an orator of no mean estate since he left us.

Judge Anderson next introduced Hon. Win. Preston Kimball, County Attorney of Fayette county, who made one of the neatest, wittiest and most eloquent addresses it has been our good fortune to hear. It was heartily applauded and greatly enjoyed.

Dr. C. C. Owens, Superintendent of the Institute for Feeble-minded Children, Col. Jas. Andrew Scott and Mr. John Nichols, of Kansas, being called out by Judge Anderson, made short, impressive talks.

Delightful music was rendered by the Capital Theatre Orchestra of Prof. F. P. Atherton, during the evening, which, coupled with the songs of the Elks sung by the jolly boys present, made the evening

pass swiftly away, and at 1 a. m., after a few words of thanks from Judge Anderson, the crowd dispersed.

An idea has gone abroad that the banquet given by the Elks are simple carousals, but we are glad to say that there was not the slightest thing done or said that would offend the most sensibilities of the most fastidious. The Lodge has grown from the small number of 29, when organized a year ago, to the gratifying strength of close to 100 members. Its charities have been large and its membership largely embrace our most popular young men.

We desire to congratulate them upon the success of the banquet and to return thanks for courtesies shown us.

DeWitt's Little Early Risers are dainty little pills, but they never fail to cleanse the liver, remove obstructions and invigorate the system. South & Longmoor, W. McKee Hardie.

### DEATH'S SHADOW.

On Thursday night Dr. R. A. Wise, Congressman from the Norfolk, Va., District, died at his home in Williamsburg. The same night Mrs. Wm. P. Frye, wife of President pro tem. Frye, of the Senate, died suddenly.

These deaths cast a gloom over the holiday adjournment.

### PROMPT PAYMENT.

Mr. Ernest R. Jones, as agent for the Mutual Benefit Life Association, of Newark, N. J., paid to the estate of Mr. Stephen B. Newton, of Switzer, \$1,000, on Dec. 17, the full amount of the policy held on the life of Mr. Newton. This was quick work. Mr. Newton died about Thanksgiving Day, the proofs were sent in ten days after and the sequel follows as above.

### TO RAISE SHORT HORNS.

The celebrated Woodburn farm of Mr. A. J. Alexander has quit raising thoroughbred and trotting horses and gone back to breeding and raising short horn Durham cattle. Mr. Alexander has purchased a herd of fine ones to breed from. This was once the principal business of the Woodburn estate.

### SPLENDID PERFORMANCE.

The production of the four act drama of "Sherlock Holmes," at the Capital Theatre, on Wednesday night, was one of the finest performances staged in this city for years.

The opening of each act was so arranged that the stage was completely dark, and after the curtains were raised the lightning was so artistically done that it produced a wonderful effect, and made the audience on the whole live for the scene.

The acting of Mr. Cuyler Hastings, in the leading part of "Sherlock Holmes" was first class in every particular. It was realistic throughout, and showed that Mr. Hastings was both a student and an actor in the front rank of his profession.

The support was all that could have been desired by the most fastidious.

Messrs. J. B. & A. D. Blanton, the lessees and managers of the theatre, are to be congratulated upon the success of this occasion, and they may be assured that if they will continue to bring first-class attractions, such as this, to their house, that Frankfort will return to its old position as one of the best show cities of its size in the country.

Our citizens will always patronize a good show, but they shun a poor or second rate one.

There was a large, cultivated and representative crowd present Wednesday night.

Does it Pay to Buy Coughs.  
A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boesche's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but always induces, and causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. For sale by S. B. Holmes. 4-17

This picture is the trade mark of SCOTT'S EMULSION, and is on every bottle of SCOTT'S EMULSION in the World, which now amounts to many millions yearly. This great business has grown to such vast proportions.

First: Because the proprietors have always been most careful in selecting the various ingredients used in its composition, namely, the finest Cod Liver Oil, and the purest Hypophosphites.

Second: Because they have so skillfully combined the various ingredients that the best possible results are obtained by its use.

Third: Because it has made so many sickly, delicate children strong and healthy, given health and rosy cheeks to so many pale, anemic girls, and healed the lungs and restored to full health, so many thousands in the first stages of Consumption.

If you have not tried it, send for free sample. Its agreeable taste will surprise you. SCOTT & BOWNE, Chemists, 409-415 Pearl Street, New York. 50c and \$1.00, all druggists.

# RESOLUTIONS OF RESPECT.

At a meeting of the First Baptist Church, held Wednesday night, Dec. 26, a committee was appointed who reported the following preamble and resolutions:

Whereas, Our Heavenly Father has seen fit to remove from the bosom of his church his faithful and senior Deacon, Brother Thomas Rodman; and, whereas, we feel that, as a church, we should put upon record a slight testimonial of the love and affection in which we held him; now, therefore,

Resolved, That in the death of our beloved brother this church has sustained an irreparable loss. For thirty-five years he has been one of the strong pillars of Zion, upon whom we leaned, always confident that he would measure up to the highest standard of Christian integrity, uprightness of life and unswerving fidelity to the cause of the Master and the church of his choice.

Resolved, That in the thirty years, during which he served as a Deacon, he was always and on every occasion the friend and counselor of the pastor and his brethren, bearing the burden with cheerful face—ever urging us to higher and better things.

Resolved, That, as a son, husband, father, brother and friend, he was a model of tender and loving care—watchful, earnest and true.

Resolved, That we tender to his bereft loved ones the tenderest sympathy of our hearts, and, mingling our tears over his new made grave, we can only look to Him "who doeth all things well" for the answer to the question "why was he taken when we needed him most?"

Resolved, That as his hand and his heart were ever open to the cry of the poor and the distressed, the widow and the orphan, he illustrated the Book by giving to the poor, lending to the needy and being content with the security.

Resolved, That, as a church we will strive to emulate his example, love each other more, serve the Master better that we may strike hands with him again in the better land.

W. S. DEHONEY,  
T. E. KENNEY,  
J. B. LEWIS,  
Committee.

The following preamble and resolutions were adopted at a meeting of the Directors of the Farmers Bank, held on Saturday morning last:

Whereas, It has pleased an All-wise providence to remove from our friend and co-director, Col. Thomas Rodman; and

Whereas, For many years he has been one of the most prominent bankers in the State, an upright and useful citizen, a kind and indulgent father, a devoted member of his church and a bright and shining example of what honesty, energy and pluck will accomplish; therefore, be it

Resolved, By the Board of Directors of the Farmers Bank, That we most heartily concur and approve the above expressions of character and worth, and extend to his family and friends and community at large our sympathy in his loss, and hope and believe that the example of his life will be an incentive to many for a useful and honorable career.

Resolved, further, That these resolutions be spread upon the records of the bank and a copy of same be forwarded to the family.

Frankfort, Dec. 22, 1900.

Action of the Board of Directors of the Farmers Bank of Kentucky on the death of Mr. Thos. Rodman. Board met. Present—W. S. Dehoney, Vice President; John C. Noel, R. D. Armstrong, James Church, Jas. M. Saffell, J. W. Rodman.

The death of Thos. Rodman, the President of this bank, having been reported to the board, upon motion R. D. Armstrong, John C. Noel and J. M. Saffell are appointed committee for the purpose of preparing and submitting to this board for approval a report and resolution appertaining to the death and loss of our president.

In conformity with the order of this board your committee makes the following report:

Upon examination of the records

of this board we find that Thomas Rodman was elected a member of the Directors of this bank on the 9th day of May, 1876, over twenty four years ago. He was elected President of this bank on the 6th day of May, 1878 by a Directory then composed of A. Duvall, James G. Dudley, J. Stoddard Johnson, D. Howard Smith, Scott Borwn and G. W. Robb; Grant Green was Cashier; and Ed Theobald Assistant Cashier; all of whom, except J. Stoddard Johnson, have gone to "that undiscovered country from whose bourne no traveler returns." J. Stoddard Johnson now resides in Louisville, Kentucky, doubtless awaiting his time to meet his old friends and associates in a better land. The passing away of these men forces us to again realize the certainty of death and the rapidity of the passage of time. We take pleasure in reporting that the records of this bank present a lasting testimony of the honest and faithful services of these lamented citizens of our county, and bear us out in the statement that there has been paid to the stockholders of this bank since the late President was made a director nearly one and a half million dollars in dividends. We also take pleasure in stating that during our official association with Mr. Rodman upon the Directory of this bank he has always carefully looked after and faithfully guarded the interest of the bank and has endeared himself personally to each and every member of the Directory by his kindness and his affection for us; and by his unflinching and anxious desire to always maintain a feeling of brotherly love and friendship among the members of the board. He felt with keenness and painful anxiety all of the successes and reverses of the bank in its protracted litigation with the State and its municipalities; and when the final stroke came to the bank in the repeal of its charter, it seemed to be the tolling of his death knell; with the death of the old bank on May 1, 1900 began his rapid decline, and as the old bank, he loved so well and was so proud of, was rapidly winding out its existence, he seemed to be unable to survive it, and peacefully passed away; he is now at rest far removed from all the troubles incident to the cares of this life. He was a faithful and consistent and useful member of the Baptist Church nearly all of his protracted life. We ask passage of the following resolutions:

Resolved, First, That we recognize in our late President a Christian gentleman, a faithful, efficient and honest official, who devoted the best part of his long and useful life to the service of this bank; and we feel confident that his services will be fully appreciated by the stockholders of the bank, and as time rolls by, we will all kindly remember him as an honest and faithful President and one among the foremost and best of our citizens.

Second, We mourn and regret his loss, we will miss him about daily board meetings and in our social intercourse; but we console ourselves with the reflection that he is now peacefully at rest; that he has entered upon the enjoyment of the rewards of a useful and well spent Christian life, and that he is now in that haven of rest that we should all strive to attain.

R. D. ARMSTRONG,  
JOHN C. NOEL,  
J. M. SAFFELL.

Upon motion of James Church the above report and the resolutions accompanying the same by a unanimous vote of the board are hereby adopted and the same are ordered to be spread upon the

minutes of this board and a copy thereof is ordered to be sent to the bereaved family of our late President and a copy furnished the local press for publication.

A cold, cough or la grippe can be "nipped in the bud" with a dose or two of Foley's Honey and Tar. Beware on substitutes. South & Longmoor, W. McKee Hardie.

## APPOINTED.

Mr. Will W. Masterson, of Carrollton, has been appointed disbursing agent for the Government building at that place. Mr. Masterson was Consul to Madeira under President Cleveland, and is now editor of the Carrollton Republican. He is a cousin of Miss Margaret A. Lewis, of this city, and is a brilliant young man.

You can't afford to risk your life by allowing a cough or cold to develop into pneumonia or consumption. One Minute Cough Cure will cure throat and lung troubles quicker than any other preparation known. Many doctors use it as a specific for la grippe. It is an infallible remedy for croup. Children like it and mothers endorse it. South Longmoor, W. McKee Hardie.

## ANOTHER CONFESSION.

The Louisville papers of Saturday night contained a statement by Robt. Noakes, one of Campbell's star witnesses in the Powers case, admitting that his statements in that trial were false and stating that he was kept under the influence of whisky and threats until he was forced to make the false statements.

Another chapter in the State's infamy.

Help is needed—once when a person's life is in danger. A neglected cough or cold may soon become serious and should be stopped at once. One Minute Cough Cure quickly cures coughs and colds and the worst cases of croup, bronchitis, grippe and other throat and lung troubles. South & Longmoor, W. McKee Hardie.

## MORE GOOD WORK.

Notwithstanding its superb work on its issue of Dec. 16, the Lexington Herald made another fine display of good work in its issue of Dec. 23. It had 28 pages of matter filled with advertisements, illustrations and finely written articles. Energy, brains and pluck have accomplished big things.

Grace—I know it. He told me to-day that he was going to shave off his mustache so he could devote more thought to you.—Christmas Smart Set.

## FOR PNEUMONIA.

Dr. C. J. Bishop, Agnew, Mich., says: "I have used Foley's Honey and Tar in three very severe cases of pneumonia with good results in every case." There is nothing so good. South & Longmoor, W. McKee Hardie.

## HIS NATURAL INCLINATION.

"And you want to take my only child from me in my old age?" said the old man, tearfully.

"Well," replied the young man, slowly, "I don't think I'd want to take her in her old age."—Christmas Smart Set.

Many persons have had the experience of Mr. Peter Serman, of North Stratford, N. H., who says, "For years I suffered torture from chronic indigestion, but Kodol Dyspepsia Cure made a well man of me." It digests what you eat and is a certain cure for dyspepsia and every form of stomach trouble. It gives relief at once even in the worst cases, and it helps you to do you good. South & Longmoor, W. McKee Hardie.

## FILIPINO VILLAGE AT PAN-AMERICAN.

Ground was broken a few days since for the Filipino Village at the Pan-American Exposition at Buffalo next summer and "Pony" Moore, a well known newspaper correspondent, has started for the Philippines, where he will get together material for this feature of the Midway. It is expected that a whole vessel will be required to bring to this side of the Pacific the native Filipinos, the cattle, utensils, tools and various objects which will be used in creating a representation of actual life in this most interesting new possession of the United States. The Filipino Village will occupy eleven acres of land on the Pan American Midway, and the population of the village will be about 100, ranging from old folks to babies in arms. On the right of the entrance will be an adobe tower with thatched roof, a representation of the Spanish Water Tower which marked the water batteries at the entrance to Manila Harbor. On the left will be a facade of the signal tower that loomed above Fort Cavite and which was wrecked by shells from Dewey's fleet. Between these points will be nipa-covered buildings and bamboo fences. Canvas and lathen sail boats will drift upon a placid lake fed by a cataraet with a fall of 45 feet. There will be a market square, a Filipino church and many dwellings for the natives in which they will live just as they do in the Philippine Islands. All the tribes of the different islands will be represented in the village and the scene will be most picturesque.

In front of the village will be a military guard of United States soldiers to give a military glimmer to the scene. There will be a theatre with a capacity of seating 1,000 people. Performances will be given daily by the natives. Every visitor will want to see this Filipino Village and thus witness scenes true to life in the islands which have now become part of the possessions of the United States.

## ARRESTED BY U. S. MARSHAL.

Deputy U. S. Marshal Con McCarty arrested Wm. Tucker, of Anderson county, on Wednesday, and brought him to this city, charged with breaking into the warehouse of the J. R. Walker Distillery, near Lawrenceburg, and stealing whiskey, and also with retelling whiskey without having paid government license.

Tucker was tried before U. S. Commissioner W. G. Chapman, on Thursday on the last named charge, and held over to the U. S. Court, which meets here January 7th. The bond was placed at \$300, which Tucker was unable to give, and he was remanded to jail.

## NO RIGHT TO UGLINESS.

The woman who is lovely in face, form and temper will always have friends, but one who would be attractive must keep her health. If she is weak, sickly and all run down, she will be nervous and irritable. If she has constipation or kidney trouble, her impure blood will cause pimples, blotches, skin eruptions and a wretched complexion. Electric Bitters is the best medicine in the world to regulate the stomach, liver and kidneys and to purify the blood. It gives strong nerves, bright eyes, smooth, velvety skin, rich complexion. It will make a good-looking, charming woman of a run-down invalid. Only 50 cents at J. W. Gayle's drug store.

## ACCIDENTAL SHOOTING.

A lad by the name of John Robinson was playing with a gun at the home of his father, on Broadway street, Christmas afternoon, when the gun was accidentally discharged, carrying a No. 1 shot and lodging in the forehead of another lad named Carroll Noonan, who was passing. The wound was attended to and, while painful, is not necessarily serious.

Many have lost confidence and hope as well as health, because they thought their kidney disease was incurable. Foley's Kidney Cure is a positive cure for the discouraged and disconsolate. Take no other. South & Longmoor, W. McKee Hardie.

## ANOTHER SHOOTING.

On Thursday afternoon a white man, by the name of James Wallace, was fooling with a pistol in the rear of the saloon, on the corner of Clinton and Washington streets, when the gun went off, the ball lodging in the bowels of a colored boy named Churchill Dotson. The boy is the son of a respected colored man named Carter Dotson, and is said to be a well disposed lad. He is about 16 years of age.

Singular attention was rendered at once, but it is feared that the wound will prove fatal.

Feelings of safety pervade the household that uses One Minute Cough Cure, the only harmless remedy that produces immediate results. It is infallible for coughs, colds, croup and all throat and lung troubles. It will prevent consumption. South & Longmoor, W. McKee Hardie.

## Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and your grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing more than this matter with you. For sale by S. B. Holmes. 4-ly.
